

Create a Photo Album in iPhoto

Hints and Tips

In PowerPoint 2008 you can share a presentation with someone who is not using PowerPoint by saving the Presentation as an iPhoto Album. This saves the slides as pictures and then you can show them using iPhoto.

1. First Create your presentation
2. Click File
3. Click Send to

4. Select a photo format
5. Click Send to iPhoto

Your presentation will open up in iPhoto as pictures of your slides

6. Click Slideshow to play your slideshow

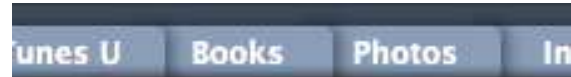

Create a Photo Album in iPhoto

Hints and Tips

To Sync your Slideshow to your iPod

You can now sync your presentation to your iPod, iPhone or iPad so that you can show it to anyone from anywhere!

1. Connect your iPod
2. In the Sync section go to Photos
3. Select Sync Photos from iPhoto

4. Select the album to sync

5. Click Apply
6. Then sync your iPod as normal

You will now be able to find your presentation in the photos folder on your iPod.
